All qualified vehicles automatically receive LPP coverage upon first BG service. Coverage applies to vehicles that are 20 years or newer at the first service, and are within the mileage to enter the Plan. Passenger vehicles with less than 14,000 GVW. To maintain coverage, perform at the suggested service interval. A grace period of 500 miles will be extended to all services in order to stay in compliance. Plan 2 takes effect 1,000 miles after the first service interval has been performed by a professional technician. **Disclaimer:** Please see official LPP and OTR documents for full details. Excludes some RVs (see GVW) competition vehicles, commercial vehicles serviced in-house and vehicles over GVW of 14,000 lbs. Some exclusions on LPP coverage include: Salvage or branded title vehicles, pre-existing conditions, manufacturer recalls or known defects (per TSB or NHTSA), in-house fleets, 1,000 miles traveled prior to claim. BG Products, Inc., reserves the right to pull Carfax reports on all claim vehicles, and may ask for a third party inspector and picture for verification. **For additional details, please contact your BG Sales Rep or a Courtesy Claims Administrator.**
